IV. General Information

The Workforce Innovation and Opportunity Act of 2014 (WIOA) was signed into Law on July 1, 2014. The Region VI Workforce Development Board is responsible for, among other activities, the administration and oversight of Youth services and funds in the thirteen counties comprising Region VI.

The mission of the Region VI WDB is to encourage the development of comprehensive programs and services to ensure that Region VI youth have the necessary skills and personal qualities to become successful, productive adults.

This Request for Proposal (RFP) is issued to solicit proposals from a single agency for the provision of innovative workforce development programs serving Out-of-School Youth under the provisions of the Workforce Innovation & Opportunity Act. Targeted populations

include youth who are not less than age 16, who are not more than age 24, and who have one or more barriers as defined by the Workforce Innovation & Opportunity Act.

The WDB currently contracts with an agency to provide, among other services, eligibility determination for youth. The proposing agency will provide all other services as part of the program proposal, i.e.- recruitment, marketing, case management, follow up, etc.

The desire of the Region VI WDB is to supplement existing services, programs and staff, and where possible, to leverage existing funds in order to operate a system that emphasizes partnership, community involvement, and system integration.

This request covers the base period from July 1, 2020, through June 30, 2021. This RFP contains the provision for up to two (2) additional option years. The proposing organization initially selected to operate the program may be approved to continue Out-of-School Youth services contingent upon successful negotiation of succeeding years' operating budgets, satisfactory performance during the initial and succeeding contract periods, and availability of yearly funding.

Each Proposer must be familiar with federal, state and local requirements of the Workforce Innovation & Opportunity Act. Specific information can be found in the Workforce Innovation & Opportunity Act, Section 129 and 20 CFR Part 681.200. Additional informational resources are:

Youth eligibility requirements can be found in **Section VI. Participants Eligibility** of this RFP. Youth program providers must ensure that any applicants who meet WIOA eligibility enrollment requirements, but cannot be served by their program, are referred for additional assessment to other appropriate agencies and or WORKFORCE West Virginia Center partner programs.

All youth service proposals must be designed around the 14 key elements outlined within **Section IX. Technical/Management Proposal** of this RFP. Successful proposals will not create or duplicate services that already exist and are accessible in Region VI.

Youth service proposals also are required to meet specific performance measures outlined in **Section VIII. Performance Goals** of this RFP.
